CRAFT BEERS OF MONTANA

"YOU WILL HAVE TO REALIZE THAT IN MONTANA DRINKING BEER DOES NOT COUNT AS DRINKING"

-NORMAN MACLEAN, A RIVER RUNS THROUGH IT-

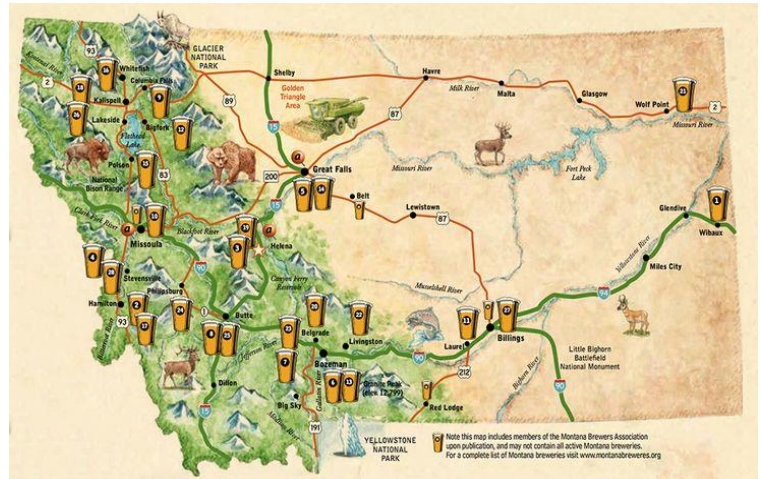

A LOT HAS HAPPENED IN THE WORLD OF MONTANA BREWERIES SINCE HENRY GILBERT OPENED OUR STATES FIRST IN 1863 OUT OF THE VIRGINIA CITY TERRITORY. OVER THE LAST CENTURY, MONTANA'S LOVE OF BEER (AND WHISKEY, BOURBON, SCOTCH, MOONSHINE OR ANYTHING ELSE YOU CAN PUT IN A BOTTLE) HAS HELPED SHAPE OUR HISTORY AND IS NOW PLAYING A VITAL ROLE IN OUR STATE'S ECONOMY TODAY.

CURRENTLY, MONTANA RANKS 3RD IN THE NATION FOR "BREWRIES PER CAPITA" WITH ONE BREW HOUSE FOR EVERY 27,000 RESIDENTS. SINCE THE GILBERT BREWERY Poured IT'S FIRST BEER OVER 150 YEARS AGO, THE NUMBER OF BREWERIES HAS RISEN TO MORE THAN 65 ACROSS THE STATE—CONSUMING NEARLY THREE MILLION POUNDS OF MONTANA GROWN GRAIN EACH YEAR IN THE PROCESS.

FROM OUT THE BUFFALO'S FRONT DOOR WE HAVE 28 BREWERIES WITHIN 200 MILES—TEN OF THOSE ARE LESS THAN 100 MILES AWAY AND TWO OF THEM ARE WITHIN A 12 BLOCK RADIUS.

THERE IS ENOUGH FRESH & CREATIVE BEER COMING OUT OF OUR STATE'S LOCAL BREW HOUSES TO KEEP YOUR MUG FULL FOR A LIFETIME AND WE ARE HAPPY TO KEEP A STEADY ROTATION OF ALL THAT THERE IS TO OFFER.

IN SHORT, THE BUFFALO IS PROUD TO SERVE AS AN OUTPOST FOR OUR AREAS BEST BREWERIES & WE HOPE YOU ENJOY WHAT'S ON TAP TONIGHT. CHEERS!

"WHAT A BEAUTIFUL WORLD IT WAS ONCE. YOU COULD LEAVE BEER TO COOL IN THE RIVER, AND IT WOULD BE SO COLD WHEN YOU GOT BACK IT WOULDN'T FOAM MUCH. IT WOULD BE A BEER MADE IN THE NEXT TOWN IF THE TOWN WERE TEN THOUSAND OR OVER. SO IT WAS EITHER KESSLER BEER MADE IN HELENA OR HIGHLANDER BEER MADE IN MISSOULA THAT WAS LEFT TO COOL IN THE BLACKFOOT RIVER. WHAT A WONDERFUL WORLD IT WAS ONCE WHEN ALL BEER WAS NOT MADE IN MILWAUKEE, MINNEAPOLIS, OR ST. LOUIS." -NORMAN MACLEAN, A RIVER RUNS THROUGH IT
